

FREE Traffic Safety Toolkit Available!

The U.S. Department of Justice Office of Community Oriented Policing Services has compiled several resources into a Traffic Safety Toolkit!

The Toolkit:

→ **has resources for...**

- law enforcement
- civic leaders
- transportation officials
- lawmakers

→ **contains guidebooks that address issues like...**

- speeding in communities
- traffic congestion around schools
- street racing
- drunk driving
- cruising
- pedestrian injuries and fatalities
- successful public safety publicity and education

→ **has guidebooks that will help readers assess and better understand their local traffic safety issues and work with institutions** (police, traffic planners, elected officials, community leaders, etc.) **in the community to develop effective responses.**

→ **highlights successful strategies that have been implemented in other parts of the country to address similar problems.**

→ **is FREE! It's a great resource for NYTSM**
